WIDE-LEG TROUSERS

SS27 MEN'S JERSEY

WIDE-LEG TROUSERS

WIDE-LEG TROUSERS FOR SS27 BECOME A CORE SILHOUETTE IN MODERN MENSWEAR, DRIVEN BY RELAXED TAILORING, STREETWEAR INFLUENCE, AND COMFORT-FIRST DRESSING. THE FOCUS IS ON VOLUME, FLUID DRAPE, AND MINIMAL AESTHETICS, POSITIONING THEM AS A VERSATILE ALTERNATIVE TO BOTH DENIM AND FORMAL PANTS.

THIS TREND REFLECTS "SOFT TAILORING MEETS ELEVATED STREET"—EASY, REFINED, AND CONTEMPORARY.

CORE FABRICS:

- COTTON FLEECE (280–360 GSM) → STRUCTURED, PREMIUM COMFORT
- FRENCH TERRY / BABY TERRY → BREATHABLE, SOFT DRAPE
- COTTON TWILL → CLEANER, SLIGHTLY TAILORED LOOK

ELEVATED OPTIONS:

- VISCOSE / RAYON BLENDS → FLUID, SOFT MOVEMENT
- POLY-COTTON BLENDS → DURABILITY + SHAPE RETENTION
- LIGHTWEIGHT WOOL BLEND → FOR A MORE TAILORED, PREMIUM VERSION
